2 Stick Option

Designed to fit the Versalift SST-37-EIH single person bucket truck to allow 2 hot sticks such as a switch stick and a shotgum stick to be carried up into the work area out of the way but accessible to the person in the bucket

10 Stick Option

Designed to fit 2 person bucket trucks with a square boom. The rack can hold up to 10 sticks of various configurations within easy reach to the operators.

9 Stick Option

Designed to fit 2 person bucket trucks with a square boom that can carry up to 9 hot sticks up into the work area. Has added feature of being able to fold flat on the boom to reduce the risk of getting caught on low hanging tree branches.
